Overview

H-Bath is the flagship brand of the reputed business conglomerate in GCC - Hidayath Group. The group boasts of over forty years of innovation in stainless steel and allied metals. We specialize in design, manufacture and supply of world-class bathroom equipment and accessories made from the highest quality AISI 304 stainless steel.

Our design and engineering team is constantly striving to innovate new products and manufacturing techniques to meet the demands of our clientele. Technical Services team is looking after installation and maintenance of the products ensuring that the perfectly manufactured items will be properly installed, following the ergonomics and safety standards. We focus on safety, ergonomics and durability of the products before tailoring them to meet the fashion trends of the day.

With our group offices in UAE, Oman, Qatar, Saudi Arabia and India, we are strategically positioned to cater to our clients across the world.
